NOMINATION & APPLICATION PROCESS	https://lecolededesign.com/en/international/coming-nantes-exchange-student (Part “Procedure”)
APPLICATION PREREQUISITES	Undergraduate: Students need to have carried out at least 2 years of higher education study in a corresponding design field before their mobility. (The international class corresponds to the final year of a bachelor degree). Postgraduate: Students need to have completed a Bachelor degree to access our International Masters programs.

COURSE CATALOGUE	https://lecolededesign.com/en/international/coming-nantes-exchange-student Click on “Consult the course description”
ACCOMODATION	Students can reserve rooms after their acceptance in nearby student residences. The number of rooms is however limited . Students are also given access after their acceptance to an online housing platform “ Studapart ”. Our housing officers are there to help students to find accommodation Email: accueil@lecolededesign.com
LANGUAGE REQUIREMENTS	All courses in our international class and our International Masters programs are taught in English . Students should have at least B2 level in English to apply for this class. We do not ask for language certificates but ask students to evaluate their own level and to reach a B2 level .
STAFF MOBILITY	An international workshop is held in April every year. We welcome applications from visiting staff/teachers.
