

ERASMUS + 2024-25 DOCTORAL AND SPECIALIZATION SCHOOLS
REOPENING OF THE DEADLINES FOR SUBMISSION OF APPLICATIONS
DR 1214 OF 28/03/2024

The deadlines for submitting the application to participate in the Erasmus+ 2024-25 selection for Doctoral and Specialization Schools students are reopened, extending participation to the following departments:

- Department of Civil, Building and Environmental Engineering
- Department of Chemical, Materials and Production Engineering
- Department of Earth, Environment and Resources Sciences
- Department of Molecular Medicine and Medical Biotechnologies
- Department of Advanced Biomedical Sciences

The deadline for submitting the application is mandatory for everyone **at 12.00 on 19/04/2024**, according to what is already provided in the selection notice referred to in DR 1001 of 14/03/2024. All the applications already submitted on the date of publication of this notice will be equally valid.

All the destinations, the available scholarships, and the duration of the mobility for each department are shown in the updated table published on the Erasmus page of the University website.
